100+ Review

JAIMIN PRAJAPATI
SOFTWARE TESTING

One of the best Software testing institutes covered each & every topic. They give knowledge from basics. Great teaching Staff & Highly experienced Staff.

Thank you DIT Academy.

KARTIK SINGH
SOFTWARE TESTING

This is the best academy to learn about Software testing (QA), dit academy is the best coaching providing and any problem in coaching help.

My experience at DIT Academy is excellent.

RAJ RAJPURA
SOFTWARE TESTING

They teach with full individual attention for every student. They are very polite and friendly nature. I'm getting real-world exposure in Software testing through the live projects. Happy to be here.

UTSAV RAMI
SOFTWARE TESTING

It's one of the best academies in Ahmedabad, I am happy with the course I have taken as a fresher. Dit Academy is a very good place to learn and develop your skills in the IT industry daily learning with experienced professionals makes it possible for you to become an industry-ready individual with the right skills.

ABOUT US

Bringing World Class Web Design, Web development, Ui/Ux Design And Digital Marketing Courses At Your Comfort

According to recent surveys done by the NASSCOM and other firms, only 25% of graduates in India are employable. There is a huge gap in students with adequate skills required for the job. There are many training institutes available to get the training but there are various area where such institutes lack.

- Limited timing
- No project based learning
- No real time work experience
- No skill development session
- Trainers do not have industry exposure
- Fake job assistance commitment

Looking at the industry demands and fulfill their manpower requirements **DIT INTERACTIVE PVT LTD** came up with **DIT ACADEMY**- Training & Employment Programme, which is designed based on industry requirements for hiring a fresher.

OUR VISION

Vision to be an objective of decision for quality training zeroed in on making equipped experts with sound space information and abilities, administrative insight, human qualities and relational abilities. It has been our undertaking at DIT Academy focus to be side by side with the most recent and the best of advances and offer a scope of courses in Web Designing, UI/Ux Designing and Digital Marketing.

OUR MISSION

Mission To give excellent technical education, unequivocally incorporated with human upsides of uniformity, empathy, sharing and social obligation. To connect with the corner and niche of the country and assist the understudies with understanding their maximum capacity, accordingly making worldwide cutthroat IT experts out of them. To give proficient and modern preparing in a mindful, understudy driven climate and outfitting them with driving edge specialized, professional and language abilities expected to get fulfilling and compensating career in IT

INSTRUCTOR OVERVIEW

RAVI KHANPARA

SOFTWARE TESTING (QA) INSTRUCTOR

Ravi is an experienced software testing (QA) instructor with over 5 years of industry experience. He possesses excellent knowledge of software testing tools and techniques, including manual and automated testing, functional testing, regression testing, and performance testing.

Ravi's expertise enables him to teach his students the principles of software testing and how to apply them to real-world scenarios. With his hands-on approach to teaching, Ravi provides practical insights and real-world examples to help his students develop their skills. His passion for software testing and teaching, coupled with his industry experience, make Ravi an excellent instructor who can inspire his students to succeed in the field of software testing.
