PRIYA PATEL
AAD - B1

The Android App Development course at DIT Academy was a game-changer for me. The step-by-step guidance and practical examples made learning easy. The instructors were always available for clarification. Excited to use my new skills!

ROHAN SINGH
AAD - B1

Just finished the Android course at DIT Academy. Loved the hands-on projects; they made learning Java and XML a breeze. The interactive platform kept me engaged. Now, I'm confident about creating my own apps!

ANANYA MISHRA
AAD - B1

Kudos to DIT Academy! The Android App Development course was fantastic. The instructors were knowledgeable, and the course structure was well-paced. The practical focus helped me grasp complex concepts. Ready to dive into the world of app development!

ARJUN MEHTA
AAD - B1

DIT Academy's Android App Development course is a must for aspiring developers. The content is spot on, covering the latest trends and technologies. The instructors are not just teachers but mentors, providing valuable insights. I appreciate the practical approach, making coding less intimidating. Can't wait to start building my own apps!

ABOUT US

Bringing World Class Web Design, Web development, Ui/Ux Design And Digital Marketing Courses At Your Comfort

According to recent surveys done by the NASSCOM and other firms, only 25% of graduates in India are employable. There is a huge gap in students with adequate skills required for the job. There are many training institutes available to get the training but there are various area where such institutes lack.

- Limited timing
- No skill development session
- No project based learning
- Trainers do not have industry exposure
- No real time work experience
- Fake job assistance commitment

Looking at the industry demands and fulfill their manpower requirements **DIT INTERACTIVE PVT LTD** came up with **DIT ACADEMY**- Training & Employment Programme, which is designed based on industry requirements for hiring a fresher.

OUR VISION

Vision to be an objective of decision for quality training zeroed in on making equipped experts with sound space information and abilities, administrative insight, human qualities and relational abilities. It has been our undertaking at DIT Academy focus to be side by side with the most recent and the best of advances and offer a scope of courses in Web Designing, UI/Ux Designing and Digital Marketing.

OUR MISSION

Mission To give excellent technical education, unequivocally incorporated with human upsides of uniformity, empathy, sharing and social obligation. To connect with the corner and niche of the country and assist the understudies with understanding their maximum capacity, accordingly making worldwide cutthroat IT experts out of them. To give proficient and modern preparing in a mindful, understudy driven climate and outfitting them with driving edge specialized, professional and language abilities expected to get fulfilling and compensating career in IT
