ABOUT US

Bringing World Class Web Design, Web development, Ui/Ux Design And Digital Marketing Courses At Your Comfort

According to recent surveys done by the NASSCOM and other firms, only 25% of graduates in India are employable. There is a huge gap in students with adequate skills required for the job. There are many training institutes available to get the training but there are various area where such institutes lack.

- Limited timing
- No project based learning
- No real time work experience
- No skill development session
- Trainers do not have industry exposure
- Fake job assistance commitment

Looking at the industry demands and fulfill their manpower requirements **DIT INTERACTIVE PVT LTD** came up with **DIT ACADEMY**- Training & Employment Programme, which is designed based on industry requirements for hiring a fresher.

OUR VISION
