I joined DIT Academy a few months ago. Here I am getting excellent knowledge. I actually visited many institutes in ahmedabad, finally I chose DIT Academy.

Lab facility is very useful, we can spend many hours in the lab. My trainer chintan sir teaches very well and briefly. He conducts many sessions for doubt clearing itself. Fees structure is affordable.

ABOUT US

Bringing World Class Web Design, Web development, Ui/Ux Design And Digital Marketing Courses At Your Comfort

According to recent surveys done by the NASSCOM and other firms, only 25% of graduates in India are employable. There is a huge gap in students with adequate skills required for the job. There are many training institutes available to get the training but there are various area where such institutes lack.

- Limited timing
- No project based learning
- No real time work experience
- No skill development session
- Trainers do not have industry exposure
- Fake job assistance commitment

Looking at the industry demands and fulfill their manpower requirements **DIT INTERACTIVE PVT LTD** came up with **DIT ACADEMY**- Training & Employment Programme, which is designed based on industry requirements for hiring a fresher.

OUR VISION
